Re: Reporting of Public Funding for Public Communications, 2018 Report

Dear Interim Director Davidson:

Pursuant to Arizona Revised Statutes §41-4603, I am sending you this Annual Reporting of Public Funding for Public Communications for the Maricopa County Attorney's Office (January 1, 2018 through December 31, 2018). As you know this legislation was passed in the second regular session of the 2010 Arizona Legislature and requires local governments to report to the Department of Administration all expenditures for communications that promote an individual elected official and that include the official's name and/or physical likeness.

The MCAO strives to ensure that transparency in government is part of our regular criminal justice process. Thank you.

Sincerely,

Bill Montgomery  
Maricopa County Attorney
